

# 24seven – Stage Plot

(same for “Bad Medicine” show)

# Notes

- Drums
  - Normally plays an 8 piece kit (5 toms+floor tom+bass+snare)
  - 6 cymbals (incl. hi-hat)
  - Double kick pedal (will probably change to own pedal).
  - Headset vocal mic (provided)
  - **NOTE: Would prefer to use own drum kit. If kit is provided, may add additional pieces.**
- Keyboards
  - 2 keyboards
  - 1 stereo mix required (can be mixed to mono if preferred)
  - Mic stand mounted to keyboard stand (provided)

- Guitar
  - Uses talk box effect (provided)
    - Can be on same vocal mic or separate mic. Whatever is preferred.
  - Typically uses Marshall Amp
- Bass
  - Typically uses Ampeg Amp
- Lead Vocal
  - Prefers wireless mic (can be provided)
- Monitors
  - In-ears typically used by lead vocalist (provided).
  - Others may decide to use in-ears (provided) if the option is available. If not – floor monitors are fine.
- Banner
  - Will only set up if there is room, and will not block any sponsor advertising.
